Westland to Launch Comprehensive Mosquito Abatement Program

Westland, MI (July 26, 2021) -Due to the recent wet weather, the City of Westland is being proactive in its fight against the summer pest through a comprehensive mosquito abatement program. This program is designed to eliminate mosquito larvae in standing water before hatching.

Beginning next week, The Department of Public Service will physically insert Natural G30 WSP Spinosad Biquettes to 7,300 catch basins throughout our community that may pose as a potential mosquito breeding ground. The remainder will be available to Homeowners Associations, residents with ponds and other potential hot spots.

“The City of Westland is committed to keeping our residents healthy and safe. With the recent influx of rain in our community, taking action against mosquitos will help each resident enjoy Michigan’s summers and the amenities offered by our city,” says Mayor William R. Wild.

The City of Westland is treating the catch basins and ditches in an effort to protect residents against mosquitos and their larvae. Having received approval from The Michigan Department of Environment, Great Lakes and Energy (EGLE), residents can expect no harm to surface water quality.

Westland, Michigan is the state's 10th largest municipality, with a population of over 84,000.

Westland has been recognized as one of 24/7 Wall Street's America's Best 50 Cities to Live, offering residents and visitors an ideal blend of single – family affordable homes, apartments and condominiums, great schools, and access to numerous outdoor activities. Public safety is delivered by full-service, professional law enforcement and firefighting personnel.

Westland is well known as a premier destination for shopping and dining in Wayne County with hundreds of shops and restaurants anchored by the Westland shopping Center, one of the country's original four regional malls.

The City is served by two public school districts. Wayne-Westland Community Schools serving 12,000 youth was recently named one of the best schools in Michigan by WXYZ-TV and is the proud recipient of 14 Golden Apple and two Michigan Blue Ribbon Exemplary School Awards. Livonia Public Schools, educating nearly 15,000 students, is proud of their MEAP/MME scores that exceed State averages and the district has also earned Golden Apple and Michigan Blue Ribbon Exemplary School awards.

The City provides competitive incentives for those who are interested in investing in Westland, making it one of the hottest investment markets in the region. Westland's Fast-Track to Business Team, which consists of key decision makers who work diligently to “cut the red tape” and expedite the approval process for new business development.
