Instructions: One copy of this application should be submitted to the Planning Department at least one month prior to the meeting of the Planning Commission at which it is to be considered. The application must be accompanied by ten (10) copies of a conceptual site plan, property survey (folded to size of 9" x 12"), and any supporting documentation required by the Planning Department to illustrate the proposed use of the property to be rezoned. An electronic copy of all of these materials is also required. The fee is $695 for one acre of land or less, or $910 for land over one acre as fee for rezoning (check made payable to the City of Westland).
