## **LIVE UPDATES: Residential Leaf Pickup Program**

- The **final** leaf collection service for eligible residents is scheduled to begin on Monday, December 4, 2023. **In order to ensure faster and more efficient service, crews are bypassing the installation of street signs at neighborhood entrances.** Residents are asked to move remaining leaves to the edge of the roadway as soon as possible. Crews will begin the final leaf collection in Section 3, Section 5, and the southern region of Section 1. Once these areas have been completed, crews will then service Section 4, Section 2, and the northern region of Section 1. The final leaf collection is anticipated to be completed by December 22, 2023.  
(Update issued on December 1, 2023)
- The Brookfield Village Condominium Association has successfully submitted their HOA Registration form, and all single-family homes in this neighborhood have been added to the Residential Leaf Pickup Program. Service can be expected within two weeks.  
(Update issued on December 1, 2023)
- Leaf service in the northern area of Section 1 (south of Cherry Hill Road, north of Glenwood Road) will begin on November 28, 2023. Crews are bypassing the installation of street signs to ensure faster service. Residents in this area are asked to move their leaves to the edge of the roadway as soon as possible.  
(Update issued on November 28, 2023)
- Homes residing on Private Roads have been added to the Residential Leaf Pickup Program.  
(Update issued on November 22, 2023)
- Section 2 is on pace to be fully completed with the **first** leaf pickup by 7:00pm on Saturday, December 2, 2023.  
(Update issued on November 22, 2023)
- Section 3 and Section 4 are on pace to be fully completed with the **first** leaf pickup by 7:00pm on Friday, November 24, 2023.  
(Update issued on November 22, 2023)
- Contractors were granted permission to continue servicing residents in Section 2 during the Thanksgiving Holiday.  
(Update issued on November 22, 2023)

- Residential homes on Joy Road are scheduled to obtain leaf pickup service starting on Friday, November 24, 2023. Joy Road is being serviced as an effort to evaluate Major Roads from an operational perspective. All other high-speed major roads remain temporarily excluded from the residential leaf pickup program during the trial year. (Update issued on November 22, 2023)
- North Creek Estates and Marlee Woods have successfully submitted their HOA Registration forms, and have been added to the Residential Leaf Pickup Program. Please look out for street signs at neighborhood entrances for information on your exact service window. (Update issued on November 22, 2023)
- The first leaf pickup service for Section 2 and Section 4 is anticipated to begin on Monday, November 20, 2023. Please look out for street signs at neighborhood entrances for information on your exact service window. (Update issued on November 16, 2023)
- Section 5 is on pace to be fully completed with the first leaf pickup by 7:00pm on Friday, November 17, 2023. (Update issued on November 16, 2023)
- Dirt Roads are no longer excluded from the Residential Leaf Pickup Program. Department of Public Service crews began servicing dirt roads on November 13, 2023. Please look out for street signs at neighborhood entrances for information on your exact service window. (Update issued on November 16, 2023)
- Street signs are being installed at the entrances of various neighborhoods in Section 1, Section 3, and Section 5. These signs indicate that the first leaf pickup service will take place in these areas the week of November 6, 2023. (Update issued on October 31, 2023)
- Leaf collection crews will begin the first collection starting on November 6, 2023 (Updated issued on October 26, 2023)
