Housing Choice Voucher Owner/Landlord Listing

The Westland Housing Commission encourages participation by owners of units located outside areas of poverty or minority concentration. In an effort to better serve our participating owners and landlords, the Westland Housing Commission has established a listing of owners/landlords that accept Housing Choice Vouchers to help tenants more quickly locate available units.

This list is provided to our program participants and applicants. They will contact the owner/landlord directly at the phone number or email address provided on this form for available vacancies and rental information.

If you would like your name on this list, complete the information below and return it to our office.
